

SUNSHINE COAST HOCKEY

SELECTORS - Guidelines and Procedures

- The Selection panel discussions must be seen as honest, fair and equitable with the application of integrity and expertise at all times.
- The Secretary will provide the Selection Panel with a list of nominated players.
- Selection Panels should confer with the appropriate Representative Coach to determine playing style, special attributes, performance and skills sought.
- Player Profiles from previous year are available to Selectors if required.
- Selection Panels will liaise with Coaches/Managers regarding training times and venues and should attend where possible.
- Selection Panels may be required to select different teams/squads for different competitions, ie: Wide Bay, Southern Cross (Female), Coulter Shield (Male) and State Championships.
- Selectors will select a team and complete the Team Selection Form provided. Players are named in alphabetical order with the Captain / Vice Captain /Co-Captains to be named first. Shadows to be named in alphabetical order in space provided on form.
- Each Selection Panel is required to submit the selected team by the due date to SCHA Administration for approval by the Management Committee prior to announcement of the team.
- Coaches will have valuable input regarding the leadership skills/attitudes displayed by players at training sessions and during games. This needs to be considered before naming captains.
